

# X-WORK

---

Lightweight and comfortable helmet, ideal for use on construction sites.

Main characteristics:

- sturdy shell made of PC in order to guarantee the highest impact absorbing capacity;
- equipped with head lamp clips and slots for quick fitting hearing protection (e.g. 3M-Peltor, Sperian);
- chin strap that is designed to open in the event of an impact (resistance lower than 25 daN);
- removable chin strap that allows it to be used for work activities on the ground;
- compatible with the retractable Visor XW (Ref. No. 6X943).
